

SOUTH CENTRAL COAST PRIORITY SECTOR SNAPSHOT

CALIFORNIA JOBS FIRST

Under California Jobs First, five sectors represent strategic priorities in the South Central Coast due to their projected growth and importance to the regional innovation ecosystem. Collectively, the five Jobs First sectors represent:

18%     
share of jobs in the South Central Coast

26%    
share of the region's economic output

SOUTH CENTRAL COAST GROWTH CONSTRAINTS

The average annual wage is **24% below the statewide average** and **37% below the living wage**, creating affordability challenges that contribute to difficulties hiring and retaining talent.

38%     

share of employers citing hiring and retention as a top challenge, 2026

SOUTH CENTRAL COAST ASSETS & DEMAND DRIVERS

Despite these challenges, regional assets and demand drivers create opportunities for growth:

Aerospace & Defense Employer Cluster and Vandenberg Space Force Base

Goleta Tech Corridor and High-Tech Employer Cluster

Diablo Canyon Power Plant and Morro Bay Offshore Wind Assets

Conejo Valley Incubator and Life Sciences Employer Cluster

UC Santa Barbara and Cal Poly R&D Assets and Incubator

Large Working Lands & Water Employment Footprint

CROSS-CUTTING OCCUPATIONAL PRIORITIES

Current Priorities

Electrical and Electronic
Equipment Assemblers

Industrial Machinery
Mechanics

Welders, Cutters,
Solderers, and Brazers

Electrical
Technicians

Emerging Priority

CROSS-CUTTING REGIONAL SKILLS NEEDS

- Data Analysis and Problem-Solving
- Hands-On Mechanical Skills
- Safety and Compliance Protocols
- Precision Assembly

- Troubleshooting and Diagnostics Skills
- Hands-On Electrical and Electronics Skills
- Communications Skills
- AI Literacy and Digital Skills

STRATEGIC PRIORITIES FOR COMMUNITY COLLEGES

EXTERNAL FORCES

- Technology and Automation Shifts
- Energy Costs and Infrastructure Constraints
- Evolving Supply Chains and Trade Policies
- Immigration and Migration Patterns and Policies

WORKFORCE IMPACTS

- Cross-Cutting Skills Needs
- Rising Employer Demand for Talent
- Uneven Access to Opportunity
- Job Quality and Job Advancement Challenges

COMMUNITY COLLEGE PRIORITIES

- Strengthen high-wage career pathways
- Scale high-value trades and technical programs
- Support job quality via program design
- Offer foundational job readiness courses
- Develop flexible, accessible training
- Facilitate regional advisory structures
- Future-proof programs via AI literacy
- Strengthen regional workforce intelligence

REGIONAL WORKFORCE PRIORITIES

Regional
Coordination

Cross-Regional
Pathways

Cross-Cutting and Emerging
Skills Development

Expanded Access
to Opportunity
