Sacramento's jobs

This project is supported by Strong Workforce Program (SWP) funding.

Introduction

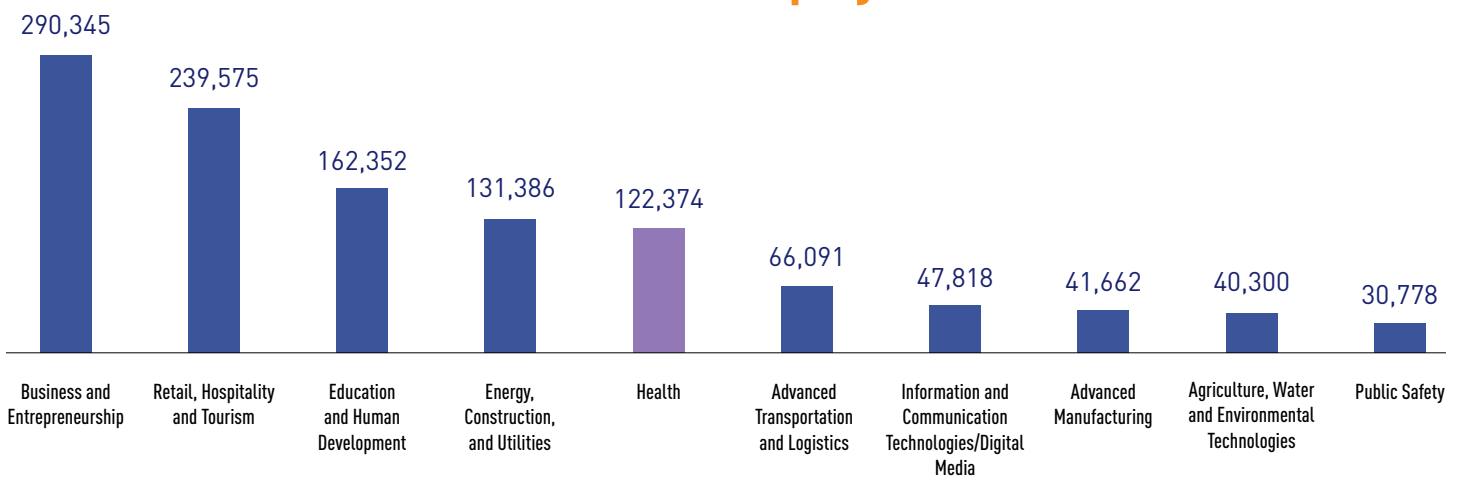

This sector profile highlights in-demand, middle-skill jobs that pay above a living wage. Middle-skill jobs, those which require education or training beyond a high school diploma but less than a bachelor's degree, are a critical component of the overall workforce and support the economic vitality of the region and the state.

This sector profile summarizes key data about current and projected workforce demand, hourly wages, job postings, and community college programs to support the goals of California's Strong Workforce Program (SWP).

SWP is an initiative designed to expand career education (CE) programs offered by the California Community Colleges to supply a skilled workforce to California's employers. The North Far North Regional Consortium (NFNRC) is charged with coordinating the planning and implementation of CE programs among community colleges within the 22-county North/Far North region, which includes the North (Greater Sacramento) and Far North subregions.

The North subregion encompasses seven counties (El Dorado, Nevada, Placer, Sacramento, Sutter, Yolo, and Yuba) and eight community colleges (American River, Cosumnes River, Folsom Lake, Lake Tahoe, Sacramento City, Sierra, Woodland, and Yuba).

Employment by Industry Subsector

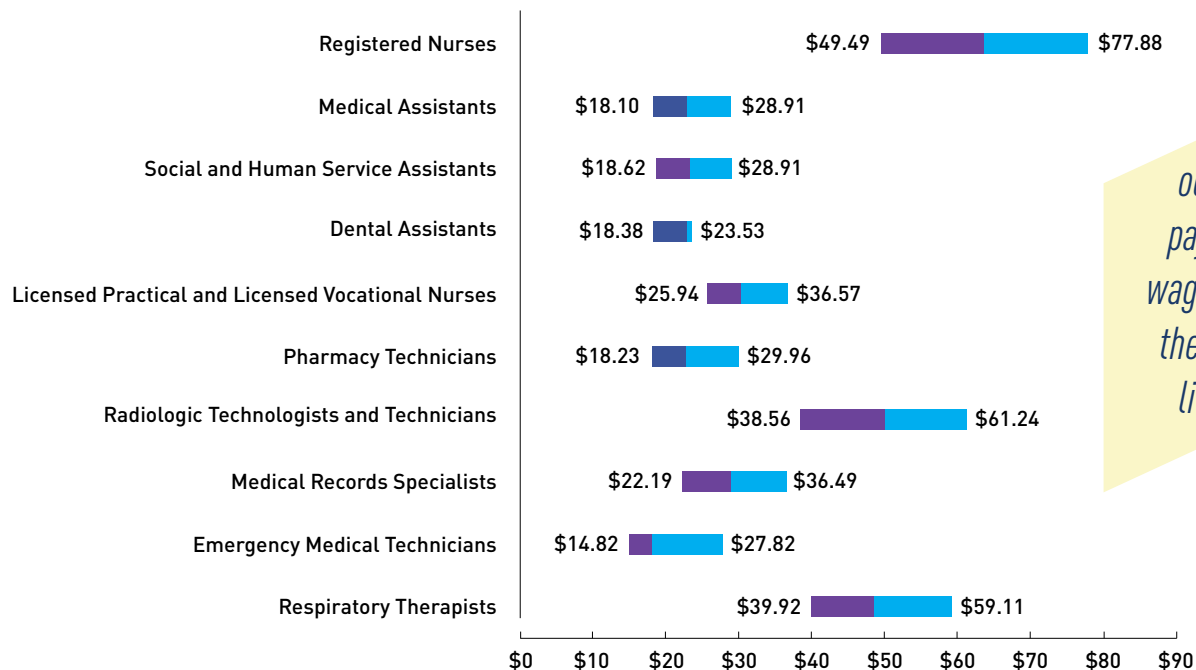

Priority Middle-Skill Occupations

Occupation	2021 Jobs	2021-2026 Projected % Change	2021-2026 Average Annual Openings	Typical Entry-Level Education
Registered Nurses	24,011	7%	1,642	Bachelor's degree
Medical Assistants	7,011	12%	1,022	Postsecondary nondegree award
Social and Human Service Assistants	4,262	12%	619	High school diploma or equivalent
Dental Assistants	3,697	6%	492	Postsecondary nondegree award
Licensed Practical and Licensed Vocational Nurses	4,367	10%	429	Postsecondary nondegree award
Pharmacy Technicians	2,920	4%	234	High school diploma or equivalent
Radiologic Technologists and Technicians	1,305	8%	117	Associate degree
Medical Records Specialists	1,329	6%	111	Postsecondary nondegree award
Emergency Medical Technicians	1,154	10%	101	Postsecondary nondegree award
Respiratory Therapists	1,318	10%	93	Associate degree

Note: Jobs for the above occupations may not solely exist in this sector and may be found in other sectors that require related services. Projected change includes new job growth and replacements.

Middle-Skill Hourly Wage Ranges

These occupations pay a starting wage at or above the subregion's living wage.

Note: The hourly wage ranges include the 25th percentile (entry-level), median, and 75th percentile (experienced) hourly earnings for workers employed in these occupations across the North (Greater Sacramento) subregion where the living wage in 2021 was \$14.53.

Priority Middle-Skill Job Postings

Posting intensity is the ratio of duplicated to unique job postings. A higher-than-average posting intensity can mean employers are putting more effort into hiring.

29,344
Online Job Postings

4:1
Posting Intensity
(Regional Average 4:1)

Note: Job postings count the number of online job postings advertised in the 7-county North (Greater Sacramento) subregion between January 1, 2022 - March 31, 2023. Postings are limited to in-state employers and exclude staffing companies. Job postings represent the top 10 priority middle-skill occupations.

Job Postings by Occupation

Job posting results are weighted toward occupations with the most postings, influencing the frequency of results for employers, job titles, skills, work experience, and education.

Top Employers & Job Titles

Employers with the Most Postings
